# About K.Motion Collect for GP

- Built **exclusively** for Dynamics GP
- Automating Dynamics GP for over **19 Years**
- Only solution that **posts live** and **shares the GP database**
- **Hundreds** of configuration options
- **Easy** to maintain
- **Powerful** but **intuitive** user interface
- **Scalable**

18+ YEARS OF EXPERIENCE,  
400+ SUCCESSFUL  
IMPLEMENTATIONS

CERTIFIED FOR  
Microsoft  
Dynamics® GP

**Microsoft®**  
**GOLD CERTIFIED**  
Partner

# COMMON WAREHOUSE PROBLEMS

- Picking Errors and Inefficiencies!
  - **Picking**
- We didn't know it was here!
  - **Receiving**
- Stock Counts take too long!
  - **Physical Inventory, Spot Counts, Cycle Counts, Adjustments**
- Where is it?
  - **Transfers, Inquires, Bins**
- There is nothing to scan!
  - **Label Manager**
- Inventory is not accurate!
  - **ALL OF THE ABOVE**

# COMMON MANUFACTURING PROBLEMS

- Are we out of Raw Material?
  - **MFG Picking**
- Why didn't we use the oldest stuff?
  - **FIFO/FEFO Enforcement**
- What Happened...
  - **Lot/Serial Traceability**
  - **Employee Accountability**
- Is it built yet?
  - **MFG Finished Good Receipts**
- It's not a perfect process
  - **Tolerances Over/Under**
  - **Substitutes/Alternates**
- How much did this actually cost?
  - **Actual Cost-Labor/Machine Time**
