

OneSource is a quick and convenient way to find series of interactive, educational webinars that dive into topics on the top of GPUG Members’ minds. Series are available exclusively to Premium GPUG Members.

## flashback **Year-End Prep Series**

Flashback Series are simply going back in time and bundling “common” topics together as a series of education. This Flashback is on year end processing.

Year-End is something that we all need to prepare for in advance. This webinar series provides you with the education you need to help you through the season. Get valuable tips and tricks, products to consider, and timely advice to leverage during your year-end prep!
